The Assistant Commissioner  
Kendriya Vidyalaya Sangathan  
All Regions

Sub : **11<sup>th</sup> Mathematical Olympiad INMO Preparatory Camp Phase II**

Madam/Sir,

KVS is organizing 11<sup>th</sup> Mathematics Olympiad INMO Preparatory Camp Phase II at KV Mankhurd, Mumbai (022-25552362 [kvmankhurd@rediffmail.com](mailto:kvmankhurd@rediffmail.com)) from **23<sup>rd</sup> December 2009 to 29<sup>th</sup> December 2009**.

2. All Regions should instruct the Principals of all KVs concerned as per list of students enclosed to participate compulsorily in the training camp as per schedule. The names of those students who have left KVs on TCs (to join other school system) may be treated omitted and the list of such students is to be sent to KVS(HQ) immediately.

3. It has been observed during Phase I camp at KV Hebbal that attendance of the participants in the camp has been found to be less than 50%. Commissioner has viewed it seriously. You are, therefore, requested to ensure that all the students (except those who have left KVs and taken admission in other schools) attend the camp.

4. A detailed report of the students who are not attending the camp is to be submitted by the concerned Principal to the KVS(HQ) with a copy endorsed to Shri G.S.Lawania, Coordinator at [gslawania@rediffmail.com](mailto:gslawania@rediffmail.com) and the undersigned at [acacad1@rediffmail.com](mailto:acacad1@rediffmail.com).

5. If any student has been transferred from one KV to other KV as per the list, he/she may be informed by the concerned Principal to attend the camp as per schedule.

6. It is further requested to convey the following to all the concerned Principals to convince the participating students. **"KVS Mathematics Olympiad INMO Preparatory Camp are directed by the experts of National & International fame. We invite experts from Olympiad Cell of National Board of Higher Mathematics (NBHM), Professors from IITs, Delhi University and other renowned institutions which are associated with guidance of IIT and JEE Entrance Examinations"**. After joining the INMO Preparatory Camp, students enhance their preparation for entrance examination. They will not be at a loss. You are, therefore, requested to convince the students and their parents to attend the camp.

7. One or two male/female teachers TGT/PGT (Maths) only as per requirement from each region may be sent as escorts with the students. It has been found that in the 1<sup>st</sup> Preparatory Camp, the teachers without Mathematics background (like Lab Attendants/PETs/WETs) were sent as escorts in spite of clear directions from the KVS(HQ). The escort teachers have to attend the whole training programme and learn the entire scheme of Mathematical Olympiad so that they can further guide the students in their respective Vidyalayas and work as resource persons.

8. The receipt of this letter be sent to Shri G.S.Lawania, National Coordinator at his e-mail address [www.gslawania@rediffmail.com](mailto:www.gslawania@rediffmail.com).

This issues with the approval of competent authority.

Yours faithfully,

(M.M.Joshi)

Deputy Commissioner (Acad)
